## Log in

Before trying to access Measure What Matters features, log in using your credentials.

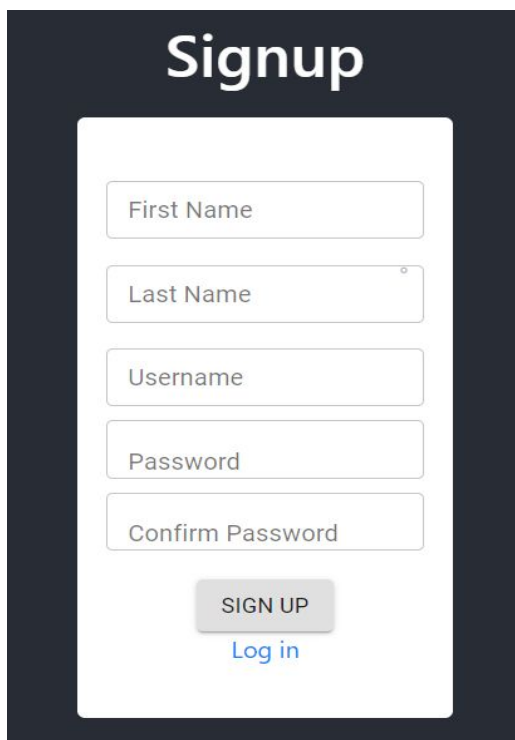

The image shows a login form with a dark blue background. At the top, the word "Login" is written in large white font. Below it, there are two white input fields: "Username" and "Password". Underneath the password field is a grey button labeled "LOG IN" and a blue link that says "Sign up here".

If you don't have an account, click on "sign up here" to create an account.

## Sign up

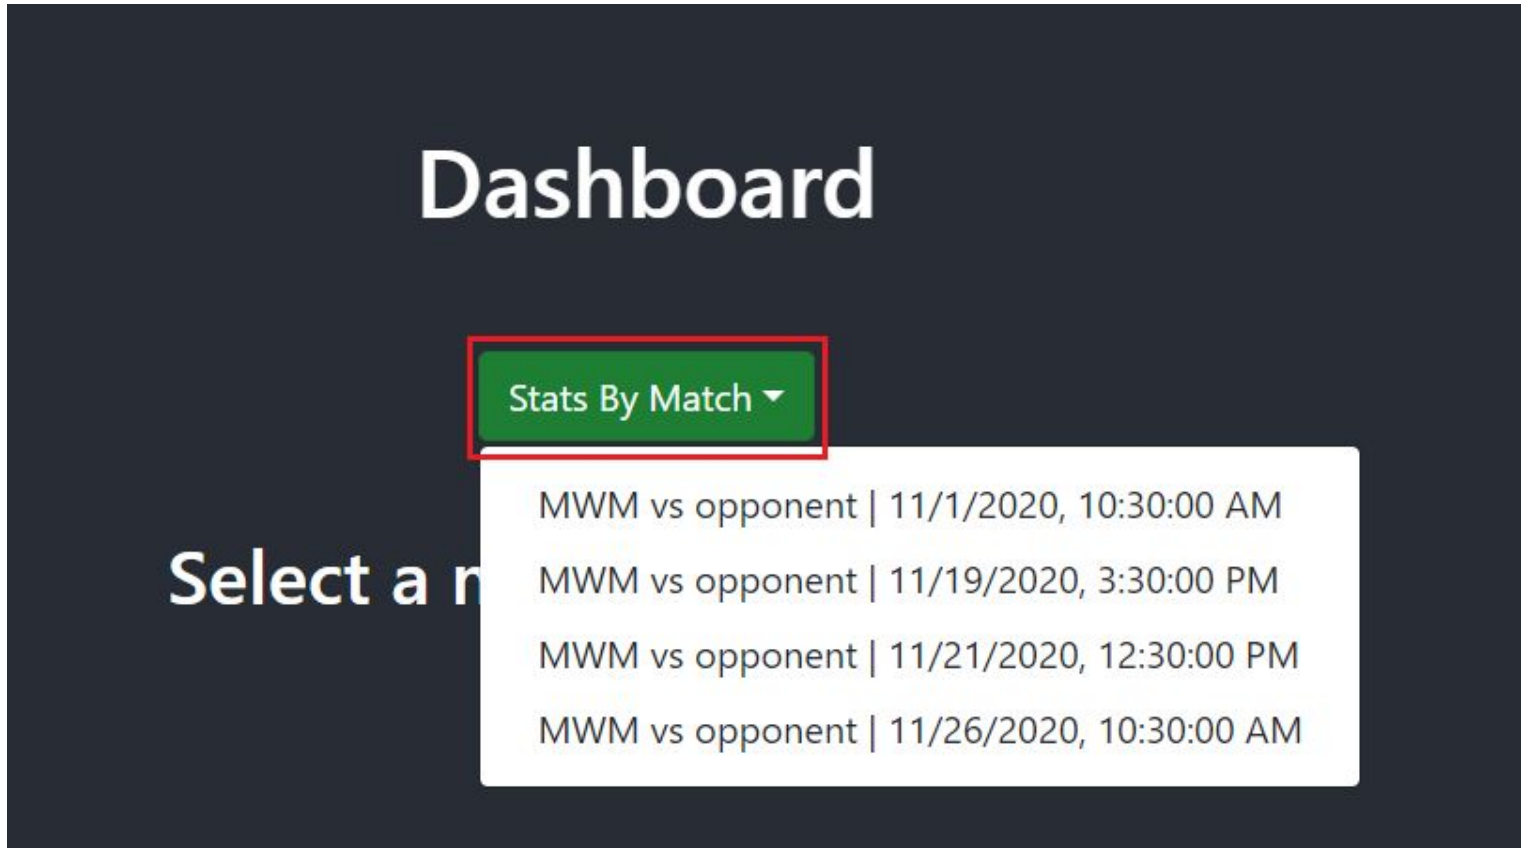

To create an account, you need to enter your first name, last name, username, and password. After you enter all the information, click the sign up button.

The image shows a signup form with a dark blue background. At the top, the word "Signup" is written in large white font. Below it, there are five white input fields: "First Name", "Last Name", "Username", "Password", and "Confirm Password". Underneath the "Confirm Password" field is a grey button labeled "SIGN UP" and a blue link that says "Log in".

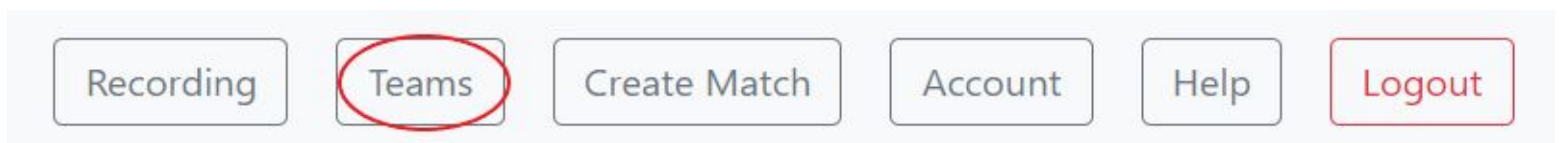

## Dashboard

After signing in, you will see the main dashboard. This is where you will access the Measure What Matters features. To see stats, you will need to select a match first.

## Teams

You can see all your teams and players on the teams page. Click on the Teams button and you will be directed to the teams page.

To edit roster for your team, click the Edit Roster button and you can add players to or delete players from the team. You can also change player names and their jersey numbers.

# Your Teams

## Create Match

Before you can start to record a match, you need to create a match to be recorded. To do this, click the Create Match button on the nav bar.

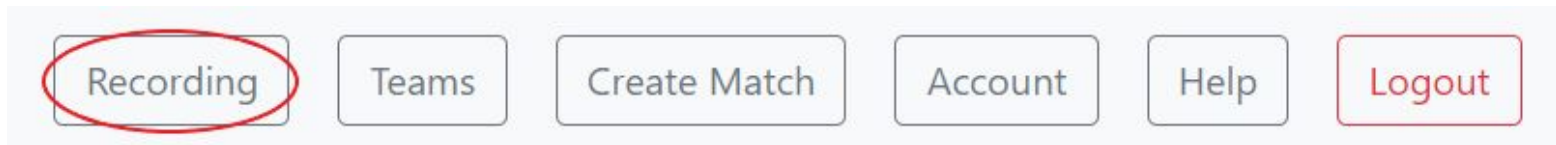

To create a match, select the team of yours to play, enter your opponent team's name, select if you are playing home or away, then select the date and time you are playing. After that, click Create Match.

A screenshot of a mobile application form titled 'Create A Match'. The form is set against a dark background. It contains several input fields: a 'Team' dropdown menu with 'None' selected, an 'Opponent Name' text field, a 'Game Venue' dropdown menu with 'Home' selected, and a 'When' field showing '11/01/2020 10:30 AM' with a calendar icon. At the bottom of the form are two buttons: 'CREATE MATCH' and 'BACK'.

# Recording

To start to record a game, click the Recording button on the nav bar.

Then select a match you want to record by simply clicking on one.

## Upcoming Matches

Select a match to begin

- Tu** 11/24/2020, 1:30:00 PM  
MWM vs. opponent  
Home Game
- Tu** 12/8/2020, 10:00:00 AM  
MWM vs. PSG  
Home Game
- Su** 12/13/2020, 10:00:00 AM  
MWM vs. Liverpool  
Away Game
- Su** 12/13/2020, 10:00:00 AM  
MWM vs. Liverpool  
Away Game

After that, select at least 7 players from the team roster that are playing this match.

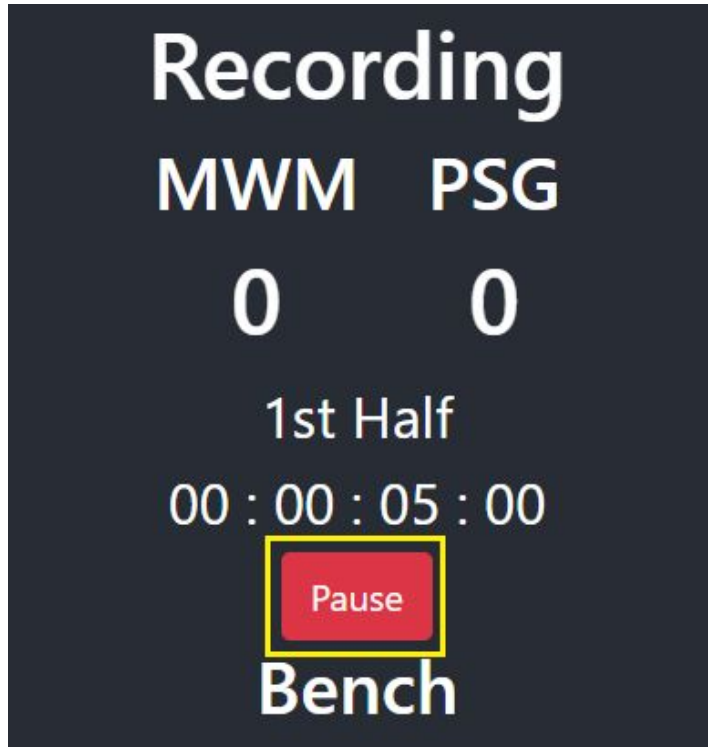

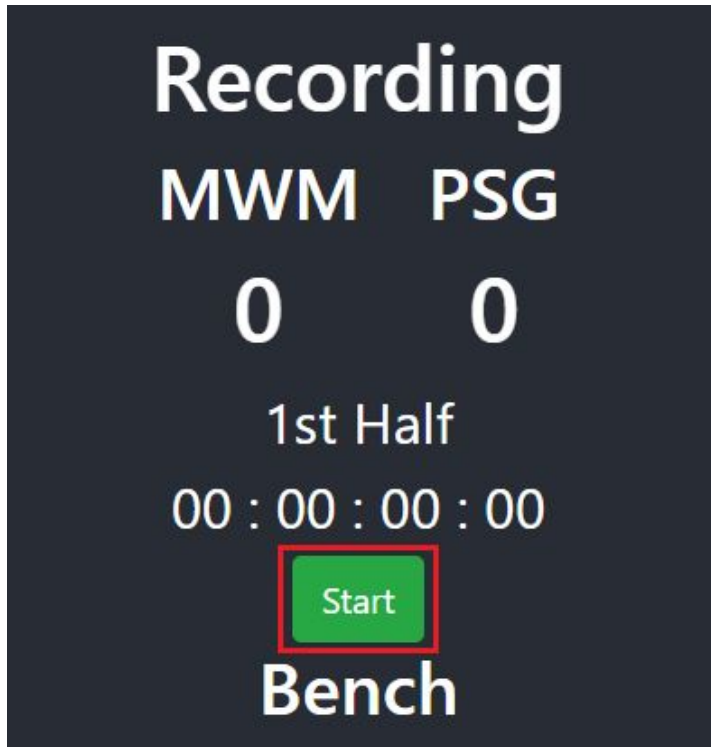

## Choose Your Match Lineup

	First Name	Last Name	Jersey Number
<input type="checkbox"/>	Aaminah	Hood	1
<input type="checkbox"/>	Addison	Connor	2
<input type="checkbox"/>	Khaleesi	Harrison	3
<input type="checkbox"/>	Usman	Mcintyre	4
<input type="checkbox"/>	Wayne	Townsend	5
<input type="checkbox"/>	Marco	Lu	6

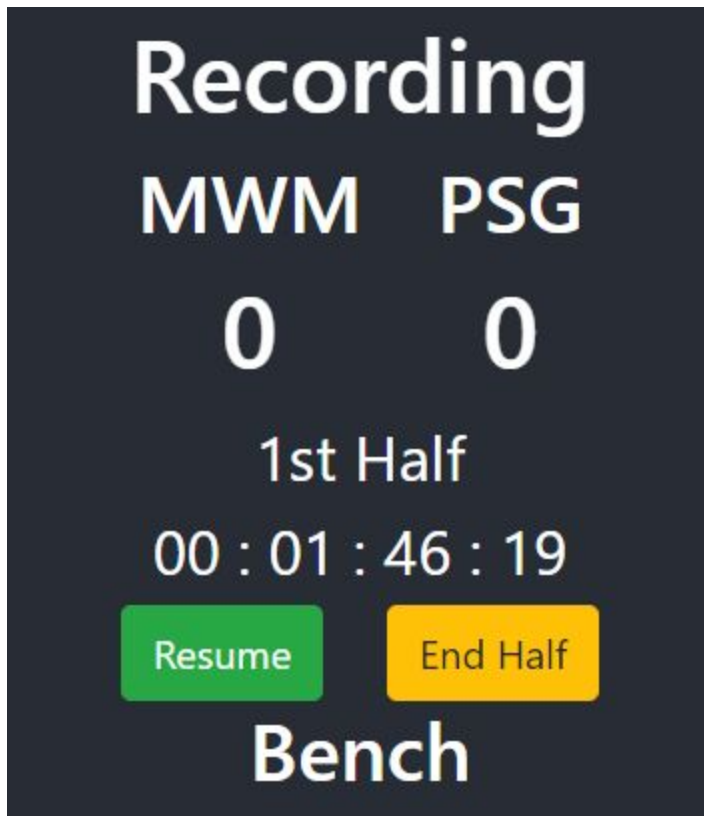

BACK NEXT

You can now record the match.

To start recording, hit the start button. You can pause the game once the game starts.

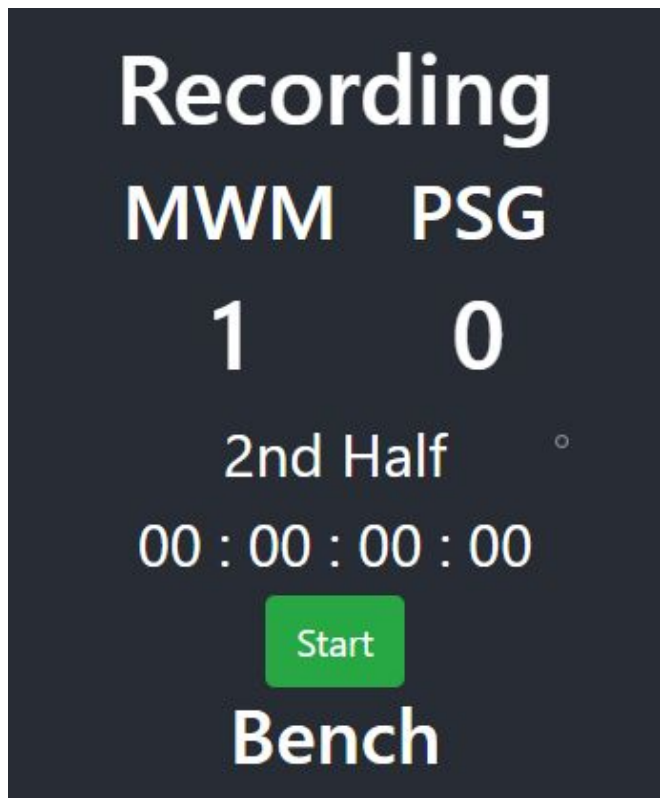

After pausing the game, you can choose to resume the game or end the first half of the game.

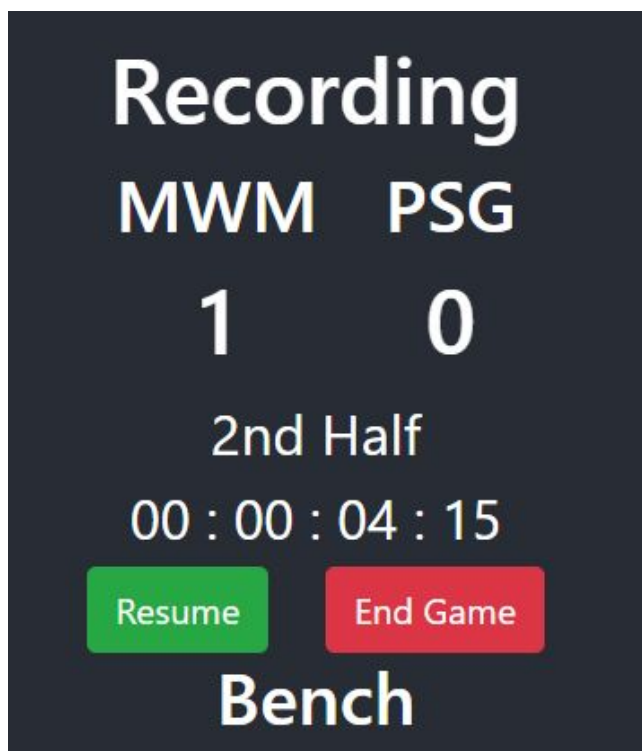

Once you end the first half, you can start to record the second half. Hit the start button whenever you are ready.

When you pause during the second half of the game, you can choose to resume the game or end the game.

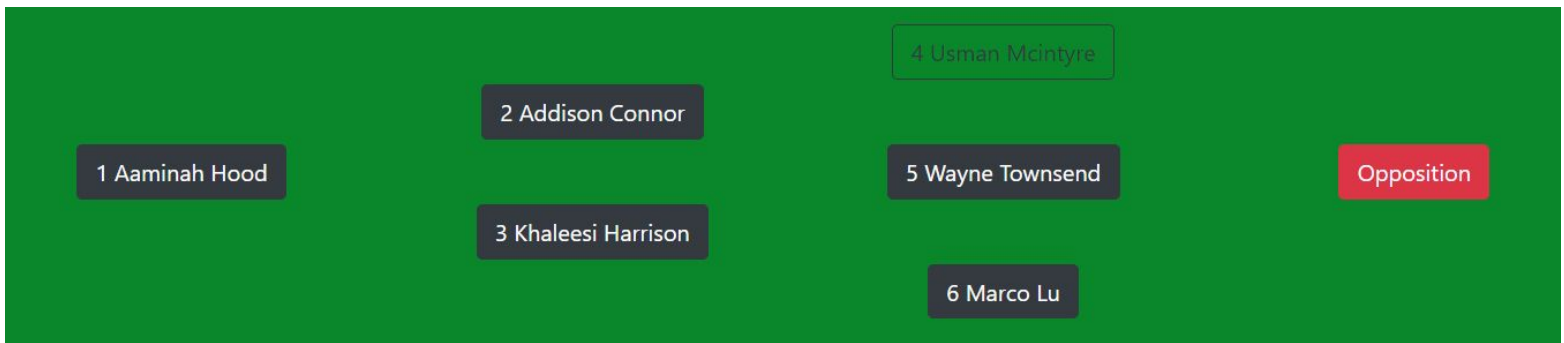

Once you end the game, you will be brought to the dashboard.

## Ball Possession

To indicate someone on your team has the ball, simply click their name. If the opponent has the ball, click the opposition button.

Note:

- You can't record ball possession when the game is on pause

## Shot

If someone makes a shot, you can click and drag the name in any direction. Then select the result for the shot.

Note:

- You can't record shot when the game is on pause
- The one you are dragging must have the ball and is indicated by clicking on it
